We would like to request every one to kindly go through the notification 1999 and reinforcement notification sent out by NECS which is available on our website for your kind clarification.

The reinforcement of the plastic ban is only limited to 3 plastic items: **carry bags, doma wrappers** and **home made ice-cream pouches** as indicated in the notification. The reinforcement of plastic ban notification does not include plastics used for any other packaging, for instance, plastic used for packaging of vegetables in the market, zaw (roasted rice) , juma (Bhutanese sausages)/ezay and including industrial packaging.
